Incendo announces start of filming for **CROSSFIRE**

Montreal, August 6th, 2015 – Incendo is pleased to announce the start of principal photography on **CROSSFIRE**, starring Canadian actress Roxanne McKee (*Game of Thrones*; *Hollyoaks*; *The Legend of Hercules*). **CROSSFIRE** is being shot on location in Montreal and co-stars Steve Lund (*Bitten*; *Best Christmas Party Ever*) and Tim Rozon (*Instant Star*; *A Sister's Revenge*). The film is being directed by Claude Desrosiers (*L'Empire Bossé*; *Dans une galaxie près de chez vous*).

“Claude is directing his first film for Incendo but his extensive experience and success is evident throughout his impressive career. He has directed many television series and documentaries, several of which were nominated for and won a Prix Gémeaux. We are privileged to work with this very talented director”, says Jean Bureau.

CROSSFIRE - *Crossfire* is the harrowing tale of Samantha Harrison, a female warrior who returns from the front lines of Iraq to find that none of her training helps her deal with PTSD or her struggles to return to a normal life. Samantha comes home to find out she's being blamed for a friendly fire incident that killed two Americans and she becomes the target of an obsessed soldier seeking revenge for their deaths. She tries to reassemble her fragmented memories of that horrific night in order to convince everyone, including herself, that she didn't do it. Who do you turn to when you can't trust your own memories and the few people you do trust are being killed off one by one?

CROSSFIRE is produced with the participation of Bell Media. Messrs. Jean Bureau and Ian Whitehead will produce the film for Incendo; Executive Producer is Mr. Jean Bureau.
